Box of Books - Parent Information

Order by Sunday, 7 December 2025

Your school has partnered with Box of Books (BoB) to make getting ready for the new school year simple. All your child's digital and physical textbooks and stationery items can be ordered in one place, so they're ready to go from day one.

This document provides a summary of all subjects that have a booklisted resource for purchase. All relevant subject-level information will be detailed in the booklist via the BoB Shop.

Please ensure that you review the booklist carefully, as it contains the most up-to-date and accurate details for your school's resource requirements.

How to Order

Head to <https://shop.boxofbooks.com.au> to place your order.

Ordering early helps make sure everything is ready for the first day of school.

Subject Notes

Please take a moment to read the subject-level notes on the booklist via the BoB Shop. These contain important guidance on whether resources are required, optional, or provided by the school. The notes also include any additional instructions from teachers or departments to assist with selecting the correct resources.

Digital Books

No need to worry about codes or extra steps.

Your child simply logs in with their

school student email address via the school's Box of Books portal: <https://pittwaterhouse>

Physical Delivery

Your child's books will be delivered straight to your home, with each student's order packed in their own box. You can track orders anytime through your BoB Shop account. Delivery is \$9.95 plus a \$5.95 packing fee per student for orders with three or more physical items, while digital-only orders are always free.

Late Orders

We'll always do our best to supply your child's resources in full.

Please note that for orders placed after

Sunday, 7 December 2025, stock can't be guaranteed.

If something is delayed, your order may arrive in more than one delivery.

BOOKLIST INFORMATION	Quantity	Digital (BoB)	Digital (BoB) & Physical	Physical & Miscellaneous
Where available, Box of Books offers the option of “Digital on BoB & Physical” or the cheaper option of “Digital on BoB”. When the school requires students to use a specific format, this is noted on the booklist. Where not indicated, students can select either option based on their preference. Once purchased, the digital texts can be accessed by signing in to the student’s Box of Books account. We strongly recommend students sign in to Box of Books before the start of school to ensure their textbooks and publisher interactives (e.g. online quizzes) are set up prior to the commencement of term. Please click here for more information on accessing your digital resources. To ensure you receive all available items in time for the commencement of the academic year, please order by Sunday, 7th December 2025.
